

Tassajara Hills Elementary

is
collecting your empty printer
cartridges
and
used cell phones
for the

2009 Spring Recycling Contest!!!

We have partnered with Planet Green and FundingFactory in a fundraising effort to raise money for our school's technology program while helping our environment too!

Just send your empty inkjet cartridges and old cell phones to school with your child (to be turned in to the classroom teacher).

The contest runs from January 4 through June 6, 2009. The class that brings in the most items during the period will win a special prize!
